

Woodvale Primary Academy

Pupil Premium Grant Expenditure 2018-2019

The Pupil Premium Grant (PPG) is an allocation of funding provided to schools to support children who may be vulnerable to underachievement. The amount received is dependent on the number of children who are known to be eligible for free school meals or have been eligible in the last six years, children who are Looked After Children, or children who have parents currently in the Armed Forces.

Not all children who receive free school meals are socially disadvantaged, and not all children that are disadvantaged have free schools meals. Pupil Premium funding is used to support any child the school has identified as being socially disadvantaged.

All schools are required to report on the amount of funding they receive and how this is used.

Context

At the Woodvale we want our children to be happy, confident individuals with a passion for learning. We believe every child should feel valued and encouraged to achieve their very best in all aspects of academy life.

We provide an exciting curriculum that combines academic skills with an extensive range of enriching opportunities to develop every child's talents within the Academy and community and beyond.

We provide a vibrant, caring and safe environment, where positive learning attitudes and traditional values such as respect, honesty and responsibility are nurtured daily. We have high expectation of behaviour and attendance within our Academy.

We know that positively working in partnership with parents is crucial in order for our children to achieve and flourish in their learning. We have a hardworking staff team, who are dedicated to providing the highest standards in learning, which are challenging and stimulating: enabling our children to achieve their full potential.

We have high aspirations and ambitions for our children and we are determined to ensure that our children are given every chance to realise their full potential. Pupil premium funding represents significant proportion of our budget and we are committed to ensuring it is spent to maximum effect.

Key Objectives for use of Pupil Premium funding

1. **English and Maths:** to provide additional effective educational support to improve the progress of PPG pupils
2. **Engagement:** to improve curriculum engagement and academic achievement of PPG pupils
3. **Attendance:** to provide support and strategies to address attendance of PPG pupils
4. **Wellbeing:** to address and support the personal, social and emotional needs of the PPG pupils

Woodvale Primary Academy
