

Year 3 Home Learning Tasks – Monday 30th April

Hello Woodpeckers and Woodpigeons. We hope you are all well.

Here are some activities for you to do at home, new activities will be posted every day.

Daily activities	<ul style="list-style-type: none">• 9am – Joe Wicks Workout on YouTube.• Reading - write a book review for every book that you read, a 'Recommended Reads' book would be a great addition to our reading areas when we get back.• TTRockstars.• Go out and get some fresh air.• Help out at home – by washing up, tidying your bedroom, helping make dinner etc.• Be kind.
Word of the day	<ol style="list-style-type: none">1. Choose a word.2. Look up the definition.3. Find the word class.4. Use it in a sentence.5. Can you add prefixes or suffixes?6. Does it have synonyms or antonyms?
English	Listen to Pie Corbett and his colleagues at https://radioblogging.net/ . They teach an English lesson every day with guest authors on, you can upload your work to their website in real time and you may even get a shout out! Pie is the man behind Talk For Writing so you will recognise many of the activities he does.
Maths	Watch the maths videos at https://whiterosemaths.com/homelearning/year-3/ and then have a go at the activities. We would have been learning about fractions this week at school and this website is very similar to Power Maths. We suggest you do the Week 1 videos and activities first.
Connected Curriculum	Choose a plant and sketch what it looks like every Monday until we're back at school. Can you see any changes?

If you complete all your assignments and you want more educational activities to enjoy, please look at the list of websites on the school website or on the Year 3 Launchpad.

Complete written assignments on Microsoft Word Online or on paper and take a photo, send this to us on Teams so we can see how you have got on. Remember we are always here to help!

Look after yourselves and your families, have fun and stay safe.

Mrs Blake and Mrs Waby
