

Woodvale Primary Academy

Year 2 Home Learning

Monday 20<sup>th</sup> April 2020

Good morning Swifts and Swallows! Your teachers hope that you have had a wonderful Easter holiday and you are all staying healthy and safe. Today, we have started a new battle between both Year 2 classes on TT Rockstars which will end on Thursday 23<sup>rd</sup> April 2020. Here are your home learning activities to be completed.

### Morning Job

Please could you practice your 'How to make fairy dust' story map with the actions or complete PE with Joe - <https://www.youtube.com/channel/UCAxW1XTOiEJo0TYlRfn6rYQ>

### Reading

*'The Gruffulo'*

You can read this book if you have a copy or listen to the online version using the link below

<https://www.youtube.com/watch?v=s8sUPpPc8Ws>. Once you have done this, answer the following questions with your adult.

1. How does the mouse feel as he sets off on his journey through the wood? How would you feel if you were the mouse?
2. Why do you think the mouse tells the other animals he is going to have tea with a Gruffulo?
3. Can you put the animals in order in which the mouse met them along his journey?
4. Can you find four adjectives in the story?
5. Can you think of your own ending for the story?
6. Can you match up the rhyming words taken from the story?

wood	no
mouse	rumble
grumble	good
gruffalo	house

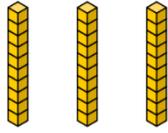

### English

Your writing task is to write a short description based on the wood in the story 'The Gruffulo'. You need to write five sentences using expanded noun phrases (two adjectives before the noun) to describe the different features in the wood. For example; the small, brown mouse walked slowly along the rough, sandy road towards the fox.

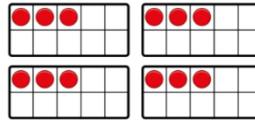

## Maths – 2 times table

Begin with chanting your 2 times tables.

Q1: How many cubes are there?

How many counters are there?

Q2: Count in 2s to calculate how many eyes there are.

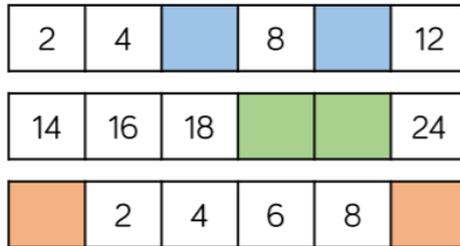

There are \_\_\_ eyes in total.

\_\_\_ × \_\_\_ = \_\_\_

Complete the number track.

Q3:

Q4: How many wheels are there on five bicycles?

Q5: If there are 14 wheels, how many bicycles are there?

## Curriculum - Coastlines

### RNLI

The Royal National Lifeboat Institution, or RNLI, is a charity that saves lives at sea. There are 238 RNLI lifeboat stations around the UK coastline. Each station has boats and special equipment that the crew use to help people in trouble in the water. Over 8000 people are helped by RNLI volunteers every year.

Can you find some information about the Royal National Lifeboat Institution?

For example;

When did the institution start?

What special equipment do they use?

What are the values of the RNLI?

<https://rnli.org/about-us>

Don't forget if you would like extra learning opportunities you can find them on the Year 2 Swifts Launchpad or Year 2 Swallows Home Learning Launchpad via airhead.

Enjoy learning at home with your families and don't forget you can keep in contact with your teachers on Microsoft Teams which is on the Year 2 Launchpad via airhead.

From Miss Walsh, Mrs McClarty and Mrs Bassett.
