PSHE	Today it is Captain Tom Moore's 100 th birthday. He is the man who has walked the length of his garden 100 times and raised almost thirty million pounds for the NHS charities. He has been lauded as an inspirational human being. We would like you to think about someone who you find inspirational. Who are they? Why are they inspirational, what do they do that inspires you? Why do they do it? When you have found out a little about them. Write a letter to them explaining that you find them inspirational and why. You don't have to post the letter (but you could if you know where to send it to), you could also add pictures if you wanted to. Your inspirational person could be someone in the news, someone that you know, someone that you are related to, just let us know why you find them an inspiration.
