Word of the day

perplexing

1. Look it up and find the definition.
2. What word class does it belong to? (Verb, noun, adverb, adjective)
3. Use it in a sentence.
4. Find a synonym (a word that means the same).
5. Find an antonym (a word that means the opposite).
6. Has it got a prefix or a suffix? Could you add one?

ENGLISH

On the next page, you will find an interesting image that we would like you to write about. You can choose what to write. It might inspire a poem, a story, a letter, a newspaper report, a non fiction leaflet or just some descriptive paragraphs.

Think about using all of the skills in your toolbox, what can you add to make your writing exciting? Maybe a simile would help or the use of a fronted adverbial to add some tension.

We want you to have some fun writing, we won't be telling you what the picture is (is it a statue, an egg, a piece of rubbish?) that is up to you.

We look forward to some amazing writing.

Other ideas if you want to do more.

You can still listen to Pie Corbett and his colleagues at https://radioblogging.net/ too. It goes out live at 9.30am but if you are not ready to do it then, go to the website, click the 'Welcome to RadioBlogging.net' tab and the show will replay for you. You will then need to go to the 'Today's Show' tab to access the resources. The presenters explain everything.
