Good Morning Swifts and Swallows. Here are your home learning activities for Friday.

Morning Job

How many different ways can you make 20? Write as many number sentences as you can that equal 20. Try to use all four operations.

Writing –

Write a postcard to someone you haven't seen in a while. It could be a friend, family member or neighbour. Tell them what you have been up to and how you are. Can you include the word of the week?

The image shows a postcard template. It is a large rectangle with a thick black border. On the left side, there are 15 horizontal lines for writing. On the right side, there is a smaller rectangular box in the top right corner, intended for a stamp. Below the stamp box, there are 6 horizontal lines for writing. A vertical line separates the two writing areas.

Word of the week:

Essential: Something that is essential is extremely important or absolutely necessary to a particular subject, situation, or activity.

## Reading – Prediction

- Where does the tunnel lead?
- What is the source of the light?
- Do you think the rabbit will go through?
- Has it been through before?
- How did it find out about the tunnel?
- Would you go through it?

## Phonics

Here are some tricky words that cannot be sounded out. Do you know how to spell them all? Can you put each word into an ambitious sentence?
