Your task

Can you write a sentence using the word 'brave'?

Can you give some examples of when have been brave before?

Phonics – The 'u-e' sound for example: tube (split diagraph)

As a recap of the sounds you already know please complete the following online phonics lesson:
Letters and Sounds Year 1 Lesson 11 – up to 15.35 minutes

https://www.youtube.com/watch?v=aW-zdYN_z90

The focus of the lesson is the 'u-e' sound. Maybe you could write some sentences of your own in your exercise book to practise words with the 'u-e' sound. For example: cube

Reading- Inference

Inference

Can you read the following passage and answer the questions?

My baby sister picked up her vegetables and – one by one – threw them off her highchair and onto the floor. She kicked out her legs and giggled as they were quickly licked off the floor. When Mum came back into the room, she shouted at the dog to go away.

Why did the baby throw the vegetables onto the floor?

Why did mum shout at the dog?

How did the baby feel when the vegetables were licked off the floor?

How do you know?

Writing– Different sentence types

Today we are going to be using a website that has been used before called 'Oak National Academy'. This website offers individual lessons which are delivered to the students by a teacher which they can complete independently. The video uses a step by step process and it is a great way to get the children involved in the learning of the lesson which is delivered similarly to how we would teach within our classrooms.

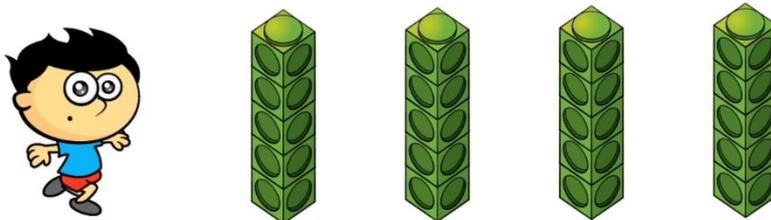

Before you start the lesson you will need a piece of paper and a pencil. Once you have clicked on the link below, you should skip the video to 3.53 minutes. In this lesson, you are going to be learning about the different sentences types. We have already learnt about these at school, so you should be superstars at identifying and using the different sentences types in the lesson today!

Click on this link to complete the lesson; <https://www.thenationalacademy/year-2/english/to-identify-and-use-different-sentence-types-year-2-wk4-3#slide-2>

Maths– 5 times tables

Jack has built some towers using cubes.

How many towers has he built? **4**

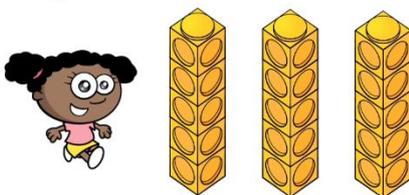

How many cubes are in each tower? **5**

How many cubes has he used in total? **20**

$$\boxed{4} \times \boxed{5} = \boxed{20}$$

Your turn

How many cubes are in each tower?

How many cubes has he used in total?

$$\square \times \square = \square$$

Curriculum – The Five Oceans

<https://www.youtube.com/watch?v=X6BE4VcYngQ>

There are five oceans that cover just over 70% of our planet, and they are all connected together. They are:

Pacific Ocean

Arctic Ocean

Indian Ocean

Atlantic Ocean

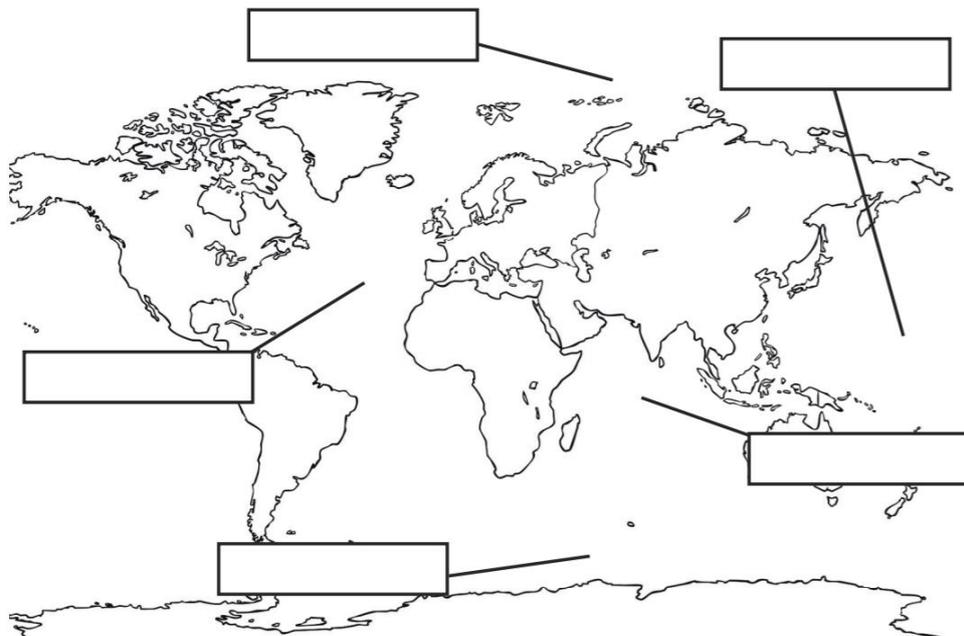

Southern Ocean

Practice reading these out loud.

Your turn - Once you have watched the video above on the five oceans, your job is to fill in the blank boxes above the different oceans on the map below. You can either use the video, the internet or the word bank to help you.

The Five Oceans of the World

Word Bank
Pacific Ocean
Arctic Ocean
Indian Ocean
Atlantic Ocean
Southern Ocean

Challenge: Can you find out which ocean out of the five different ones we have looked at today is the coldest and what makes it the coldest ocean?

From Miss Walsh, Mrs McClarty and Mrs Bassett.
